## PERSONAL BACKGROUND

My name is Greg Sithole and I'm a Software Engineer with several years of industry experience. I have great enthusiasm for my work and I believe that it is an important part of my personal growth. In my spare time, I enjoy working on small projects with friends that I have made together. Learning new languages is another passion of mine. In my free time I like to read books and play video games

## PROFESSIONAL HISTORY

### Junior Software Developer

*Entrostat | May 2017 to present*

- Planned, developed, tested, deployed, and maintained business management & led integration systems with a small team
